

Visage Beauty Treatment of the Month

Decleor Brightening Facial

Visage Beauty are offering this signature Decleor facial to help celebrate the launch of the brand new Brightening Range.

A specific brightening treatment facial is being introduced to the salon treatment menu. The brightening products are being re-launched with an improved recipe and more intense Vitamin C booster.

The facial includes:

- A double cleanse and exfoliation to remove dead skin cells
- Steaming to open up the pores and allow deeper penetration of the products being used on the skin
- Luxurious face, neck, shoulders and scalp massage performed with a brightening serum
- An ampoule of pure Vitamin C and brightening intense treatment mask
- Concluded with pigmentation spot corrector and treatment moisturiser
